Mission Heal

Dear Donor

By God's blessings and your timely support, it was possible for us to help many needy people in January 2022. like every month. Sharing our consistent efforts with you all gives us pleasure, and we hope that maybe our consistent efforts will encourage you to do something for the needy ones. With time, we realized that the real beauty of life lies in making others happy. If we look at this month, we have distributed women hygiene kits in slums, food for needy, blankets etc to help needy people. Here, we are sharing some of the images with you in which you can see how our team is working. Also, we are attaching discharge summaries and receipts.

Thanks for your love and generous support.

Thanks & Regards
