Mission Heal

Dear Donor

By God's blessings and your timely support, it was possible for us to help many needy people in Oct 2022. like every month. Sharing our consistent efforts with you all gives us pleasure, and we hope that maybe our consistent efforts will encourage you to do something for the needy ones. With time, we realized that the real beauty of life lies in making others happy. If we look at this month, we have distributed food for needy, nutritional meals, stationery kits etc to help needy people. Here, we are sharing some of the images with you in which you can see how our team is working. Also, we are attaching discharge summaries and receipts.

Thanks for your love and generous support.

Thanks & Regards

APPRECIATION LETTER

The patient named, Baby Archana, age 19days at the time of admission, Female was admitted to hospital on 04/10/2022 and got discharged on 27/10/2022 after successful completion of her treatment. With Congenital heart defect, pulmonary artery is either not formed or is narrow, blocking blood from getting to the lungs. Pre mature birth has intestinal obstruction, low SPO2 under developed body organs. but timely financial assistance and subsequent treatment made her recover in good time. She had fully recovery with proper treatment and care.

We thank Mission Heal for providing financial support for her treatment .

We thank Mission Heal once again for their support.
