Satyam Super Speciality Hospital (A unit of Satyam medical care Pvt. Ltd.)

Opp. Satyam Paramedical College And Research

Maripur, Muzaffarpur, - 842001, Bihar

Patient Name:	Rani Kumari
Sex:	Female
Father's Name:	Manish Kumar
Address:	Jagdishpur, Kushahi, Muz.
Diagnosis:	Suffering from Anaemia like Syndrome
Date of Admission:	19 <sup>th</sup> /April/2025

**Overall Analysis :** - Rani Kumari, was brought to the hospital in the morning hours of 19<sup>th</sup> April 2025 in a critical condition by her parents. The condition of the kid is critical. Patient has Suffering from Anaemia like syndrome, where the Red blood cells seen to be less than normal resulting in lack of haemoglobin, indicating low level of oxygen in the blood and the blood is thick. It limits the body's response to stress or illness risking baby's life. The kid has been admitted in NICU with 24 x 7 observation of concerned doctors and necessary treatment has been initiated. These conditions can be severe and require urgent medical attention to address the deficiencies and other complications, regular assessment and check up is required. The patient comes from a financially weaker section, Kid's father is a Bus conductor and mother a house wife who can't take care of the medical expense, so they need financial help of approx Rs. 99,280/- For almost 11 days of treatment. Please provide financial support for the same.

**Estimated Fund required during Hospital Stay and Overall Treatment.**

प्रेम में,

मिशान हिल

महोदय,  
नमस्त्वियेन है की मेरी बेटी रानी कुमारी  
जो की अभी मात्र 11 दिन की ही हैं। जो की  
गंभीर बीमारी से जूझ रही हैं, जो की इसका  
जन्मजात है। डॉक्टर का कहना है की इसको  
एनिमिया नामक गंभीर बीमारी है, साफ ही ओर  
भी समस्या है। अतः, डॉक्टर का कहना है  
की इसका इलाज जल्द से जल्द शुरू करना  
होगा नहीं तो इसका खतरा मुश्किल है। डॉक्टर  
का कहना है की इसका उचित इलाज हेतु  
₹₹, 280/- रु की खर्च आएगी ओर लगभग  
11 दिन तक का समय लगेगा। अतः गरीबी से  
जूझ रहे परिवार के लिए इतना बरा रकम  
बहुत ही बरा है। मैं इस में डॉक्टर का काम  
करता हूँ ओर मेरी पत्नी घर का देखभाल करती  
है, ऐसे में मेरा परिवार बहुत ही मुश्किल से  
चल पाता है।

अतः प्रार्थना से मेरी विनती है की  
मेरी आर्थिक एवं दैनिक स्थिति को देखते हुए  
मेरी आर्थिक मद्दत करने का कृपा कष्ट कर  
दिएँगे लिए मैं आपका खेदा आभारी रहूँगा।

आपका विश्वास  
मनीष कुमार

To prevent infant falling, do not leave infant unattended when any panels are open. All panels must be closed and secured during transport to prevent infant from falling.

To prevent accidental disconnection, during bassinet use provide sufficient length for all patients leads, infusion or ventilator tubing to the bassinet to allow the full range of tilting position.
